Subject: Dean of Education

I am writing to inform you that Julia O'Sullivan will step down as Dean of Education, effective July 1, 2010. Dean O'Sullivan has accepted the position of Dean at the Ontario Institute for Studies in Education (OISE) at the University of Toronto. Let me take this opportunity to recognize and thank Julia for her very significant contributions to the Faculty of Education and to Western over the last three years. Her leadership – together with your support and energy – has enabled us to continue building the impressive strength of Western's Faculty of Education across the spectrum of teaching, learning and scholarship.

Let me offer my congratulations to Julia on her new appointment and again express my deepest appreciation for all that she has done for Western during her time here.
