First Call for Papers

The hosting institution for this year's ACEA conference, University of Prince Edward Island, would like to invite potential contributors to submit titles and abstracts of proposed original research papers to be presented at this year's conference.

The theme of this year's conference is "Lessons from the Crisis, Recovery and After."

Although the theme of the conference focuses on current events, the organizers of the conference also want to encourage the submission of papers on any topic. To this end, it would be helpful if contributors would indicate the specific field into which their paper falls in accordance with the JEL classification system: (http://www.aeaweb.org/journal/jel_class_system.html)

Students are encouraged to submit papers for this conference. A prize will be offered for the best student paper/presentation.

Contributors are asked to send their paper proposals and abstracts to the following e-mail address: 2011ACEA@gmail.com

The deadline for submission of abstracts is September 30, 2011. A second call for papers with more details will follow.
