Designing Knowledge Mobilization Plans: A Guide for Research and Grant Applications

Attend this knowledge mobilization (KM) workshop to learn about how to incorporate KM into your research plan – a critical component that is required by many grant applications. We'll show you how to create an effective KM plan that will not only help you write a stronger grant application but will also benefit your research and your dissemination of it to stakeholders.

Thursday, September 20, 2012

1:30 PM

Faculty of Education Community Room (Room 1139)

Please register at <http://www.edu.uwo.ca/knowledgemobilization/>

All are welcome. Refreshments will be served.

For more information/questions: Kelly Bairos ~ kbairos@uwo.ca
