- Economics of Crime
- Economics of Education
- Economics of Household Saving
- Economics of Intellectual Property
- Economics of National Security
- Economics of Real Estate and Local Public Finance
- Environmental and Energy Economics
- Health Care
- Health Economics
- Industrial Organization
- International Finance
- International Trade and Investment
- Labor Economics
- Law and Economics
- Monetary Economics
- Personnel Economics
- Political Economy
- Productivity, Innovation, and Entrepreneurship
- Risk of Financial Institutions
- Social Security

The NBER provides continental breakfast and lunch each day, as well as limited support services. Authors whose papers are selected for presentation and who are invited to attend any of the workshops must pay for their own transportation and lodging.

Researchers who have completed their Ph.D.s, and who are interested in participating in the 2012 Summer Institute, should submit a curriculum vitae and a copy of the paper they would like considered for the program, or a one page abstract if the paper is not complete, no later than **February 17, 2012**. Please note that the following workshops will **only** consider completed manuscripts (abstracts will not be considered): Asset Pricing, Corporate Finance, Economic Fluctuations and Growth, Energy and Environmental Economics, Law and Economics, Monetary Economics, and Political Economy. Questions can be sent to rshannon@nber.org.

Submissions can be uploaded to
