
IMPORTANT NOTIFICATION TO ALL RESEARCHERS re: CANADIAN COMMON CV

If your upcoming research application requires the Common CV, it is recommended that the Common CV be completed early. Creation of a new CV is time-consuming.

'Walk-in Clinics' have been scheduled to assist anyone creating or updating the Common CV. Joe Halbersma from Research Development & Services will be available at all events to assist. Drop in at any time during the dates below, and bring your laptop to have your questions answered while working on your CV.

NOTE: The Common CV is now required for the NSERC Discovery Grant, and must be completed for the NOI deadline of August 1, 2013.
