PRINCIPLES OF MACROECONOMICS
ECONOMICS 1022B-001
Department of Economics
Western University

COURSE OUTLINE

Instructor: Bruce Hammond
Office: 4035 SSC
Office Phone: 519-661-2111 ext. 85452 (for a faster response contact me by email)
E-mail: bhammon2@uwo.ca
Class times: Monday and Wednesday 7 – 10 pm, Room SSC 2036
Office Hours: Monday and Wednesday 5:45 – 6:45 pm, Room SSC 4035

Website address: http://owltoo.uwo.ca (Do not send me emails through this website, use my Western address)

Undergraduate Enquiries: Maureen O’Connell, 519-661 – 3507, SSC 4075, econugrd@uwo.ca

Registration

You are responsible for ensuring you are registered in the correct courses. If you are not registered in this course, the Department will not release your marks until your registration is corrected. You may check your timetable by using the Login on the Student Services website at https://studentservices.uwo.ca/secure/index.cfm. If you notice a problem, please contact your faculty academic counsellor right away.

Prerequisite Note

The prerequisite/corequisite for this course is Economics 1021A/B.

You are responsible for ensuring that you have successfully completed all course requisites, and that you have not taken an anti-requisite course. Lack of prerequisites may not be used as a basis for appeal. If you are found to be ineligible for a course, you may be removed from it at any time and you will receive no adjustment to your fees. This decision cannot be appealed.

If you find that you do not have the course prerequisites, it is in your best interest to drop the course well before the end of the add/drop period. Your prompt attention to this matter will not only help protect your academic record, but will ensure that spaces become available for students who require the course in question for graduation.

Goal of the Course

The goal of this course is to introduce you to the principles of economics and enable you to understand and interpret economic events in the world around you. You will learn what causes the economy to go through cycles of growth and contraction, and how the government can influence the economy to attempt to moderate these cycles.
Learning Outcomes

Upon successful completion of the course, the student will be able to:
1. Describe the various measures of macroeconomic activity.
2. Use economic models to determine equilibrium in an economy.
3. Explain what causes fluctuations in an economy.
4. Describe how the government uses fiscal and monetary policy to influence the economy.
5. Describe the requirements for long term economic growth.

Required resources

MyEconLab is an online resource with many valuable aids to help you with your studying and is used to do the online quizzes. It can be accessed at the [http://pearsonmylab.com](http://pearsonmylab.com) website. Access to this website is included with the purchase of the textbook package or can be purchased separately. (The Myeconlab website includes an online version of the textbook.)

MyEconLab Course Id:

Hammond16332

Method of evaluation (you will be given the higher mark from the following two options)

**Option 1**
Mid-term test – 40%
Exam – 60% (This exam will cover all material taken since the beginning of the course)

**Option 2**
Online (MyEconLab) quizzes (average of best 8 quizzes) – 10%
Mid-term test – 35%
Exam – 55% (This exam will cover all material taken since the beginning of the course)

Mid-term results will be emailed to your Western account. Final grades will be available on the Student Services website.

All tests and exams are 2 hours and will consist of multiple choice questions. Results will be emailed to your Western email address. Your final grade will be available on the Registrar’s website.

You are required to bring to the tests and exams:
- Current UWO student ID card
- Pencil
- Non-programmable calculator (graphing and cell phone calculators are not allowed)
Missed Tests

Students should review the attached information and the following regarding missed tests.

If you know in advance that you have a conflict with the mid-term test, you must discuss this with me at least one week before the test date. If your reason for not being able to write the test is approved by me, you will write a make-up test before the regular test date. Please note that even if you have a conflict with a test in another course failure to follow this policy will result in a mark of zero if you miss my test.

If something comes up the day of the mid-term tests, then you should email me within 24 hours. You must also see your academic counselor in order for them to review your reason and documentation for missing the test. If both your counselor and I agree that you had a legitimate reason to miss the test (supported by the appropriate documentation) then you will be able to write a make-up test consisting of short answer and essay style questions.

</table>

This schedule is subject to change. Any changes will be announced in class – students are responsible for ensuring that they know of any changes.
Please Note

Remember that the University expects all students to take responsibility for their own academic Programs. Also remember to check your registration to make sure you are enrolled in the correct courses.

1. Guidelines and policies for the Faculty of Social Science and the Department of Economics are posted online in the current Western Academic Calendar at http://westerncalendar.uwo.ca.

3. Cheating as an academic offence: Students are responsible for understanding what it means to “cheat”. The Department of Economics treats cheating incidents very seriously and will investigate any suspect behaviour. Students found guilty will incur penalties that could include a failing grade or being barred from future registration in other economics courses or programs. The University may impose further penalties such as a notation on your official academic transcript, suspension or expulsion.

4. Plagiarism: Students must write their essays and assignments in their own words. Whenever students take an idea or a passage from another author, they must acknowledge it by using quotation marks where appropriate and referencing with footnotes or citations. Plagiarism is a major academic offence (see Scholastic Offence Policy in the current UWO Academic Calendar at http://westerncalendar.uwo.ca/2013/pg113.html).

The University of Western Ontario uses software to check for plagiarism and students may be required to submit their written work in electronic form. Those found guilty will have penalties imposed as noted in point 3.

5. It is Department of Economics policy that NO assignments be dated, stamped or accepted by staff. Students are responsible for submitting assignments in class or to the instructor during office hours.

6. When appealing a mark, students should refer to the University’s Procedures in the current UWO Academic Calendar (http://westerncalendar.uwo.ca/2013/pg112.html). Please note the relevant deadlines.

The Department will not consider any appeal unless an attempt has been made to settle the matter first with your instructor. If after this discussion you remain dissatisfied with a grade or other decision, you may proceed with a written appeal (e-mails are not acceptable) to the Undergraduate Director in Economics, stating the reasons for your appeal. A useful form and checklist is provided at http://economics.uwo.ca/undergraduate/program_counselling/responsibilities_policies.html#appeals
7. Systematic adjustments of a class grade distribution (either up or down) can occur in Economics courses. The fact that grades have been adjusted is not grounds for an appeal.

8. Note the following add and drop deadlines:

Dates for **adding** courses in the summer:
- Last day to add a Distance Studies Course: Friday, May 9, 2014
- Last day to add an Intersession Course: Tuesday, May 13, 2014
- Last day to add a first term half course Summer Evening: Friday, May 9, 2014
- Last day to add a second term half course Summer Evening: Friday, June 20, 2014

Dates for **dropping** Courses in the summer:
- Last day to drop a Distance Studies Course: Friday, May 30, 2014
- Last day to drop an Intersession Course: Thursday, May 22, 2014
- Last day to drop a first term half course Summer Evening: Friday, May 16, 2014
- Last day to drop a second term half course Summer Evening: Friday, June 27, 2014

9. Faculty of Social Science policy states that oversleeping or misreading an exam schedule is not an excuse for a make-up. This rule applies to all mid-term tests and final exams in the Department of Economics.

**Policy Regarding Makeup Tests and Final Examinations**

Academic Accommodation will not be granted automatically on request. You **must** demonstrate by documentation that there are compelling medical or compassionate grounds before academic accommodation will be considered.

If you decide to write a test or an examination, you must be prepared to accept the mark you earn. Rewriting tests or examinations, or having the value of the test or examination reweighted on a retroactive basis, is not permitted. Book airline flights after you know the dates of your final examinations. Airline flights must not conflict with test or final exams.

If you are requesting a makeup test for a midterm or a final examination, unless medically incapable, notify your instructor by email or phone, preferably prior to the scheduled date of the test, but definitely within **24 hours** of the date of the test or exam. Failure to follow this procedure may result in denial of a request for academic accommodation or result in a grade of zero. Set up an appointment as soon as possible to meet personally with your instructor. If the instructor is not available, you may send an email message, copying the Undergraduate Coordinator at econugrd@uwo.ca (Social Science Room 4075). Notifying your instructor of a missed test or exam does not automatically entitle you to a makeup test.

Students who seek a makeup test or examination must provide medical or other relevant verification that their absence from a regularly scheduled test or examination is beyond their control. Documentation must support your reasons. Medical documentation should be given to the Academic Counselling Office of your home Faculty as soon as possible (preferably within **24 hours of the test**) if you know you may not be able to write your final examination on the scheduled day and time. Failure to follow this procedure, or to provide supporting
documentation, may result in denial of a request for academic accommodation or result in a grade of zero. If your documentation is not acceptable, you will be given a zero for the missed test.

For personal illness, if you consult Student Health Services regarding your illness or personal problem, you should request a Student Medical Certificate from the physician. If you were seen by an off-campus doctor, obtain a certificate from his/her office at the time of your visit. The off-campus medical certificate form must be used and can be found at: http://www.uwo.ca/univsec/pdf/academic_policies/appeals/medicalform.pdf. Notes stating "For Medical Reasons" are not considered sufficient.

For any other circumstances, if you are not sure what documentation to provide, ask your Academic Counselor. If your documentation is judged sufficient, the academic counselor will issue a Recommendation for a Special Examination (a single form for midterms or a triple color form for final examinations). Once you have this form, contact your instructor ASAP to make arrangements. Even if approved from your home faculty Academic Counsellor, there is no guarantee that you will be allowed to write the makeup test and exam.

For final examinations, you need permission from your home Faculty Counsellor, your instructor, and the Department Chair. Failure to follow this procedure may result in an examination grade of zero. You must ensure that the Special Examination form has been signed by the instructor and Department Chair and that the form is returned to the Academic Counseling Office for approval without delay. Make-up final examinations, if permitted, will be written within one month of the end of the exam period.

**Policies Regarding Academic Accommodation**

Information about the Faculty of Social Science’s policies regarding academic accommodation is found on its website at http://counselling.ssc.uwo.ca/procedures/havingproblems.asp or in Social Science Room 2105. Your “Academic Rights and Responsibilities” are also outlined in the current UWO Calendar at http://westerncalendar.uwo.ca/2013/pg111.html. Claiming that “you didn’t know what to do” is not an acceptable excuse for not following the stated procedures.

**Policy Regarding Class Attendance**

If your instructor views your class attendance as unsatisfactory, you can be debarred from writing the final examination. If there is intent to make use of this University policy, you will be notified in writing.

**Statement on Mental Health and Support Services**

If you or someone you know is experiencing emotional/mental distress, there are several resources here at Western to assist you. Please visit http://www.uwo.ca/uwocom/mentalhealth/ for more information and a complete list of resources, as well as how to obtain help.
