Registration:

You are responsible for ensuring you are registered in the correct courses. If you are not registered in this course, the Department will not release any of your marks until your registration is corrected. You may check your timetable by using the Login on the Student Services website at https://student.uwo.ca. If you notice a problem, please contact your home Faculty Academic Counsellor immediately.

Prerequisite Note:

The prerequisite(s) for this course is (are) Economics 1021A/B

Prerequisite(s) for your course can be found in the Western Calendar at:
http://westerncalendar.uwo.ca/Courses.cfm?Subject=ECONOMIC&SelectedCalendar=Live&ArchiveID

You are responsible for ensuring that you have successfully completed all course prerequisites, and that you have not taken any anti-requisite courses. Lack of prerequisites may not be used as a basis for appeal. If you are found to be ineligible for a course, you may be removed from it at any time and you will receive no adjustment to your fees. This decision cannot be appealed.

If you find that you do not have the course prerequisites, it is in your best interest to drop the course well before the end of the add/drop period. Your prompt attention to this matter will not only help protect your academic record, but will ensure that spaces become available for students who require the course in question for graduation.

Course Objectives:

The goal of this course is to introduce you to the macroeconomic principles that will enable you to understand and interpret economic events in the world around you. You will learn what causes the economy to go through cycles of growth and contraction, and how the government can influence the economy to attempt to moderate these cycles.
Course Learning Outcomes:

Upon successful completion of the course, the student will be able to understand, explain and analyse:

- The various measures of macroeconomic activity
- The economic models that determine equilibrium in an economy
- How market participants interact with each other and the impact of these interactions on a national and global level
- The various phases of the business cycle and explain how key macroeconomic variables behave in these phases.
- The requirements for long-term growth.

Required Course Materials:

*MACROECONOMICS Canada in the Global Environment*, tenth edition, by Michael Parkin and Robin Bade, 2018 (*also available as an eText*).

**MyEconLab: (required for assessments)**

</table>

Tests will be mixed format. Tests may vary in length and the specific time limit for each test will be announced no later than the Friday preceding each test date. No individual test will have a time limit exceeding 2 hours.

Students should keep this schedule and workload in mind given their other courses and commitments. Students should plan ahead to ensure that they have the capacity to complete the tests on these dates. Students should notify the instructor of conflicts with any of these test dates no later than June 26.

Missed Tests Policy:

Students with an approved absence from one assessment during the term will have the weight of the missed assessment reallocated to the assessment(s) that cover the same chapters as the missed assessment, except if the missed assessment is Test 6. If the approved absence from an assessment is for Test 6, and if this compromises the student’s completion of the course learning outcomes, then the student will be required to write an additional assessment during the final exam period. This additional assessment may differ from Test 6 in format and may or may not be held on MyEconLab. Students who miss two or more assessments during the term are likely not to have met the course learning outcomes and may not be permitted to pass the course. They should contact the instructor for additional steps.

Students who miss any assessments must follow Western University’s procedures for approval of their absence in order to receive an accommodation. Please see pp. 6-7 of this syllabus for details on these procedures. If Western University announces any procedures for the approval of absences during Summer 2020 that supplement or supplant the information provided on this syllabus, please follow those procedures.
How to do well in this course:

1. Start each week by reading the assigned textbook chapter. Then read the course notes provided for you. The course notes only complement the textbook by a synopsis of the chapters, and providing examples. The course notes does not contain all the material you need to know, so you **must** read the textbook too. At the end of each chapter ensure the chapter goals have been achieved.

2. Work on several problems. This is how students can ensure they know the course material. There are several problems on MyEconLab, at the end of the chapter in the textbook. Sample questions will also be posted on OWL for practice. Passively reading the textbook rarely results in a passing grade, please make sure to practice problem solving.

3. If you have any questions, post them on the Forum. Your classmates will be happy to discuss your question with you, and I check the Forum daily to make sure that no one will lead you astray. All students are encouraged to exchange ideas and contribute to the discussion.

4. Remember you can always email me. Note that office hours are by appointment. I will monitor my email account closely every day, and you should typically expect a reply within 24 hours, excluding weekends and holidays.

Please Note
Department Policies for Summer 2020

Remember that the University expects all students to take responsibility for their own Academic Programs. Students should also check their registration to ensure they are enrolled in the correct courses.

1. Guidelines and policies for the Faculty of Social Science and the Department of Economics are posted online in the current Western Academic Calendar at: http://westerncalendar.uwo.ca.

3. **Cheating as an academic offence:** Students are responsible for understanding what it means to “cheat”. The Department of Economics treats cheating incidents very seriously and will investigate any suspect behavior. Students found guilty will incur penalties that could include a failing grade or being barred from future registration in other Economics courses or programs. The University may impose further penalties such as a notation on an official academic transcript, suspension or expulsion.

4. **Plagiarism:** Students must write their essays and assignments in their own words. When taking an idea/passage from another author, it must be acknowledged with quotation marks where appropriate and referenced with footnotes or citations. Plagiarism is an academic offence (see Scholastic Discipline for Undergraduate Students in the Western Calendar at http://westerncalendar.uwo.ca/PolicyPages.cfm?Command=showCategory&PolicyCategoryID=1&SelectedCalendar=Live&ArchiveID=#Page_20).

   Western University uses software to check for plagiarism and students may be required to electronically submit their work. Those found guilty will be penalized as noted in point 3.

5. It is a Department of Economics policy that NO assignments be dated, stamped or accepted by staff. Students must submit assignments in class or to the instructor during office hours.

6. When appealing a mark, students should refer to the Student Academic Appeals section in the current Western Academic Calendar at: http://westerncalendar.uwo.ca/PolicyPages.cfm?Command=showCategory&PolicyCategoryID=1&SelectedCalendar=Live&ArchiveID=#Page_14

   Please note the relevant deadlines.

   The Department will not consider an appeal unless an attempt has been made to settle the matter with the instructor first. Students who remain dissatisfied with the outcome may proceed with a written appeal (e-mails are not acceptable) to the Undergraduate Director in Economics, stating the reasons for their appeal. A checklist is provided at: http://economics.uwo.ca/undergraduate/program_counselling/responsibilities_policies.html#appeals.
7. Systematic adjustments of a class grade distribution (either up or down) can occur in Economics courses. The fact that grades have been adjusted is **not** grounds for an appeal.

8. Note the following add and drop deadlines:

9. Faculty of Social Science policy states that oversleeping or misreading an exam schedule is **NOT** grounds for a makeup. This rule applies to midterm and final exams in the Department of Economics.

**Policy on Tests, Final Exams and on Missed Academic Responsibilities**

Students who proceed to write a test or examination must be prepared to accept the mark. Rewriting tests or examinations, or retroactive reweighting of marks, is **not** permitted. Students must book travel arrangements AFTER final exam dates have been posted; travel is not an acceptable excuse for absence from a final exam.

Students who are temporarily unable to meet academic requirements due to extenuating circumstances can follow Western University procedures to request academic consideration through the following routes:

a) Submit a Self-Reported Absence form if the conditions for submission are met (e.g., only for exams or assessments worth 30% or less of the course mark; not applicable to final exams; maximum one self-reported absence per summer term; see [link](#) for full list of conditions and info).

If the conditions for submission of a Self-Reported Absence form are not met, then:

b) For **medical** absences, submit a Student Medical Certificate (SMC) signed by a licensed medical or mental health practitioner along with a request for academic consideration to Academic Counselling in the student’s home Faculty (see [link](#) for full info); or

c) For **non-medical** absences (e.g., religious or compassionate), submit appropriate documentation to Academic Counselling in the student’s home Faculty (see [link](#) for full info).
It is strongly recommended that students notify their instructors as soon as possible. University policy is that students **must** communicate with their instructors no later than **24 hours** after the end of the period covered by either the self-reported absence or SMC, or immediately upon their return following a documented absence. Failure to follow University policy and procedures may result in denial of academic accommodation and a grade of zero. Students should also set up an appointment to meet (virtually) with their instructor as soon as possible. If the instructor is not available, send an email message, copying the Undergraduate Coordinator at econugrd@uwo.ca.

Note: Academic consideration is not normally intended for long-term, recurring absences, an existing disability, or high levels of stress related to academic performance. In such cases, students should consult their academic counsellor. See [link](#) for full information.

In all cases, if the documentation submitted to request academic consideration is not acceptable, students will receive a grade of zero for the missed test, exam, or assignment.

**For full information about Western University’s policies and procedures for student absences and requests for academic consideration, please visit this [link](#).**

**Policies Regarding Academic Accommodation**

The Faculty of Social Science’s policies regarding academic accommodation is found at [http://counselling.ssc.uwo.ca/procedures/having_problems/index.html](http://counselling.ssc.uwo.ca/procedures/having_problems/index.html). “Academic Rights and Responsibilities” are also outlined in the Western Calendar at [http://westerncalendar.uwo.ca/PolicyPages.cfm?PolicyCategoryID=1&command=showCategory&SelectedCalendar=Live&ArchiveID=](http://westerncalendar.uwo.ca/PolicyPages.cfm?PolicyCategoryID=1&command=showCategory&SelectedCalendar=Live&ArchiveID=). Claiming that “you didn’t know what to do” is not an acceptable excuse for not following the stated procedures.

**Policy Regarding Class Attendance**

If the instructor deems a student’s class attendance as unsatisfactory, that student may be prohibited from writing the final examination. If there is intent to make use of this University policy, the student will be notified in writing.

**Statement on Mental Health and Support Services**

Students under emotional/mental distress should visit [http://uwo.ca/health/mental_wellbeing/](http://uwo.ca/health/mental_wellbeing/) for more information and a complete list of resources on how to obtain help.
